This matter is on for sentencing on June 15th, 2023. I am still suffering from a medical issue. I have two medical appoints on July 3rd, and July 7th, 2023. I request that the sentencing be adjourned to the end of July.

Defendant is incarcerated and will be sentenced to prison. I have advised my client through his family of my status. The government was contacted and will not object to my request.

I apologize for the timing of this request, I had hoped to be able to proceed but cannot.

Regards,
